

Dear Indians Fan:

Greetings from Jacobs Field!

We hope you have been enjoying our march to the playoffs as much as we have. Our players have provided dramatic victories and our fans have come out in record numbers.

Our success this season is a direct result of our hard work and focus during spring training. Your support during that time was, and remains, greatly appreciated.

Keep an eye out for your 1996 Season Ticket renewal letter, which should arrive shortly. And we'll keep an eye out for you this coming spring.

GO TRIBE!

Mike Hargrove, Manager
